

Stakeholder Consultation Workshop

Discussion on Feasibility Study for Central Power Plant in the Konabari Cluster

November 12, 2016, 11:00 AM – 1:30 PM

Bangladesh PaCT is organizing a meeting for the textile and garment factories in the Konabari cluster, in collaboration with Bangladesh Garment Manufacturers and Exporters Association (BGMEA), DBL Group, Islam Group, Deloitte, and General Electric. The discussion will present a strong business case for industrial cluster based captive power generation and address the ongoing power crisis. A comprehensive feasibility study has been conducted in the Konabari cluster and proposed a solution of a gas-based 122 MW power plant.

Meeting Highlights

-  Findings of the CPP feasibility Study
-  Critical Drivers for the Project
-  Feedback from Stakeholder meetings
-  Q&A Session
-  Way Forward

DBL Office
BGMEA Complex, Dhaka 1215
